Know what's below. Whether you're building a backyard patio or expanding the footprint of your business, you (or your contractor) must call 811 before you dig to be sure the work is done safely. Call the New Jersey One-Call Center at 1-800-272-1000 or 811 at least three business days before digging starts, so underground utility lines can be marked. It's the law.
